This is your opportunity to 'pay it forward' by nominating a deserving family, to receive a brand new home & property. The new home will be a modest, functional, efficient and practical house, located centrally in Prince George. The family you are nominating needs to be a 'good fit' in order to be considered by our panel of judges. Most importantly, we need to be sure they are genuinely in need of such a gift, as well as their ability to pay future taxes, utilities, upkeep of the home, etc. Our judging panel also needs to know about the family's desire to stay in Prince George in their new home, plus a level of stability and ability to own their own home. PLEASE NOTE that if your nominee is chosen as a finalist, we will require additional information, including letters of reference, interviews, agreements for news stories, etc. If you have questions, please email welcomhome@pgcougars.com

Your name:

Your Phone Number(s):

Your email address:

Your mailing address:

Who are you nominating? Please include their full names, immediate family members, and ages:

Tell us a bit about this person/family:

Please sum up the main reasons you are nominating them:

A new home and property comes with responsibilities such as taxes, utilities, maintenance, insurance, upkeep, etc. Please describe how your nominee would be able to deal with these types of ongoing responsibilities:

Please add additional information, and if needed, add separate pages to this nomination form. We are likely to receive a lot of nominations, as a free house and property would be something a LOT of people could benefit from. Please write us a compelling, descriptive, and helpful story on why you are nominating this family, and why the judges will want to strongly consider them, and why the family deserves this sort of major positive break in their lives:

Deadline for nominations is May 31, 2018!

THANK YOU for making the effort to nominate this person/family. We may be contacting you for additional information, and we will let you know if your nomination is one of the finalists. Please be prepared to supply additional information if this is the case.
