Minor Hockey Experience Packages- Backstage Pass

Congratulations on getting the chance for your team to be a part of a Saskatoon Blades game. We have put together information to help make your night a huge success. If you have a question that is not answered below, please contact your Saskatoon Blades Account Executive by calling 306-975-8844.

BEFORE THE GAME

Your Minor Hockey Experience package includes 20 tickets (4 Adult, 16 Child). Additional tickets are available at the Group Rate, but only through the Blades office.

We recommend picking up your tickets through the Blades office at least one week prior to your chosen game to distribute them at a team practice. Business hours are Monday to Friday, 9am – 5pm.

ARRIVING AT SASKTEL CENTRE

Doors open for home games from Monday-Saturday at 6:00 PM. During Sunday games doors will open at 1:00 PM unless otherwise specified. We ask that everyone please arrive at this time in order to ensure a great experience!

Coaches and parents should first find their seats and get accustomed to the where they will be seated during the game. **Fifteen minutes before game time, a Saskatoon Blades representative will meet you and your team at the Frozen Pond Team Store by Section Z.** The representative will guide your team

to the Blades locker room where they will form a line to high five the Blades as they go on the ice. This Saskatoon Blades representative will be your main contact for the evening.

The Blades representative will explain the rules for high fiving the team. Five minutes before the game the lights will go down and your team will experience the energy as the Blades get ready to take on their opponent. After the ice entrance the Blades representative will direct you and your team to the Blades locker room for the tour.

We look forward to welcoming you to the SaskTel Centre! Go Blades Go!
