Minor Hockey Experience Packages- Best Seat in the House

Congratulations on getting the chance for your team to play a part during Saskatoon Blades game. We have put together information to help make your night a huge success. If you have a question that is not mentioned below, please contact your Saskatoon Blades Account Executive by calling 306-975-8844.

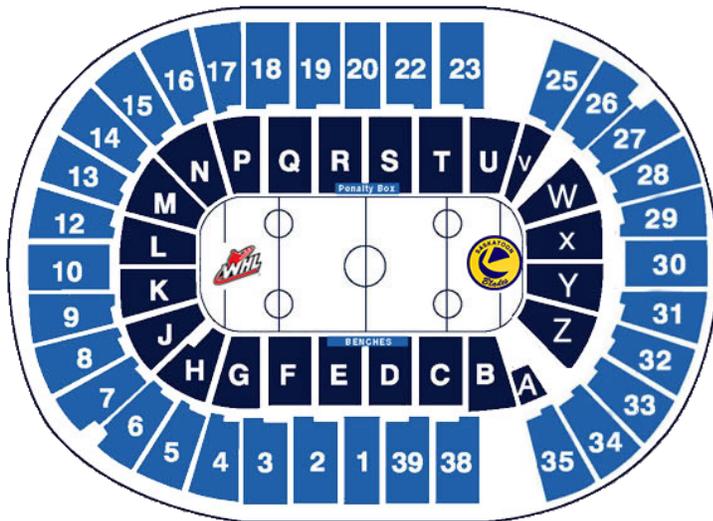

BEFORE THE GAME

Your Minor Hockey Experience package includes 20 tickets (4 Adult, 16 Child). **Please know that all children participating in the package must bring a hockey helmet.** Additional tickets are available at the group rate, but only through the Blades office.

We recommend picking up your tickets through the Blades office at least one week prior to your chosen game to distribute them at a team practice. Business hours are Monday to Friday, 9am – 5pm.

ARRIVING AT SASKTEL CENTRE

Doors open for home games from one hour before game start. We ask that everyone please arrive at this time in order to ensure a great experience!

Coaches and parents should first find their seats and get accustomed to the where they will be seated during the game. **45 minutes prior to puck drop coaches and players (with helmets) can meet our designated Saskatoon Blades representative at the Frozen Pond (Saskatoon Blades Team Store) by Section Z.** This representative will be your main contact for the evening.

The Blades representative will explain the rules and the process for getting on and off the benches before and after the warm-up. The Blades players will go onto the ice 30 minutes prior to the game for their pre-game skate. Your team will follow and experience the energy as they watch future NHLers prepare for the game. After the warm-up is over the representative will direct coaches as to when and where to meet them again for the tour of the Saskatoon Blades dressing room. This tour will occur during the first or second period.

We look forward to welcoming you to the SaskTel Centre! Go Blades Go!
