

Go Thunderbirds!!

Hello from Mr. Bergamo's grade 5 class at Notre Dame school in Windsor, Ontario, Canada. With the Memorial Cup being played in Windsor this year, our class entered a project where classes from around Essex County selected a team from the CHL to support and root for them to play their way to the CHL Championship. Our Grade 5 Notre Dame class has proudly selected the Seattle Thunderbirds!! The students been studying the history of the Thunderbirds, the city of Seattle such as its geography, city history, famous people and places.

We have been following the Thunderbirds since February and are very excited Seattle is playing for the Western Hockey League Championship! We as a class are cheering for the Thunderbirds for a chance to come to Windsor to play for the Memorial Cup. Having the possibility of our class meet the team here in Windsor would be a fantastic experience!

From our grade 5 class here at Notre Dame, we say good luck!! Go Thunderbirds Go!!!

Sincerely,

Mr. Bergamo
